(b) A quotation by the Supplier shall not constitute an offer to sell goods to the Customer. No contract for the supply of goods shall exist between the Supplier and the Customer until a Customer's order for goods has been accepted by the Supplier (such acceptance of Customer's orders may be made and communicated by the Supplier in writing or by overt act of acceptance). The Supplier may accept or refuse any order for goods in its absolute discretion and may make its acceptance of an order conditional upon it receiving a satisfactory credit assessment of the Customer.

4. PRICING

(a) Notwithstanding any prior acknowledgment by the Supplier of the price of goods, the prices specified for goods may at the Supplier's option be subject to alteration to reflect the Supplier's prices and charges in effect at the time of delivery.

(b) Any variations in the invoice or contract price as a consequence of currency fluctuations, taxes, customs duty or other imposts shall be to the Customer's account.

(c) The Supplier will be entitled to set off against any money owing to the Customer amounts owed to the Supplier by the Customer on any account whatsoever.

(b) The Customer agrees to do all things necessary and execute all documents reasonably required to register the PMSI granted by the Customer under these terms and conditions and to ensure that the Supplier acquires a perfected security interest in the goods under the PPSA.

(c) This PMSI does not lose its priority as a result of the renewal, refinancing, consolidation or restructure of the subject matter of these terms and conditions and any purchase money obligations.
